

Make Lunch Linton: Summer Update

Small Things Count

It's hard to believe we are now half way through the summer holidays. Where did those three weeks go? You will all be very

aware of the rise in the cost of living and the impact on families who may have been just about managing, but now can't find the extra they need to pay the bills. Making lunch on one day each week sounds a very small thing, but we believe it is important to do what we can. We make a difference to the people who come on that day. Make Lunch Club is not just about food, but being a community.

The team has been concentrating effort on strengthening community this holiday and it has been wonderful to welcome 9 new families into our supportive community. . We've had contact with a total of 18 families so far this summer.

Next session, 17th August, and again on 24th August, we will be moving to the sports pavilion on the recreation ground. This new venue will no doubt

create new challenges but we are so grateful that it is available.

Finally, please remember to use your token to vote for us when you shop at Tesco in Haverhill. Another small thing, but every little helps!

Thank you for your support. Sarah will be happy to answer any questions or provide more information. Our contact email remains cafm@stmaryslinton.org.uk
